

## Maine Tourism Marketing Partnership Program (MTMPP) 2020 Fall Cycle Awards

---

### Fall Special Event Grant

#### [The Great State of Maine Air Show](#)

**\$49,800**

The Great State of Maine Air Show, August 15 & 16, 2020

Recognized as an official Bicentennial event, The Great State of Maine Air Show, August 15-16, 2020 is one of the largest outdoor events in the State.

### Fall Tourism Enterprise Grants

#### [Points North Institute – Camden International Film Festival](#)

**\$10,000**

The Camden International Film Festival provides a unique meeting place where the international documentary community comes together to celebrate, educate, and connect through nonfiction storytelling with visiting filmmakers from across the globe.

#### [Destination Moosehead Lake](#)

**\$10,000**

Destination Moosehead Lake is the official tourism organization for Maine's famous Moosehead Lake region. As a premier destination for all forms of recreation, Destination Moosehead Lake welcomes thousands of visitors to the region annually.

#### [Maine Sporting Camp Association](#)

**\$10,000**

The Maine Sporting Camp Association is dedicated to keeping the sporting tradition alive with its mission to attract tourism to the outdoor experiences of rural Maine to benefit businesses, the regional area, constituents of the Maine Sporting Camp Association, and Maine guides and outfitters.

#### [Piscataquis Chamber of Commerce – Maine Whoopie Pie Festival](#)

**\$3,500**

Featuring Maine's official state treat, the Maine Whoopie Pie Festival is an authentically Maine event. The festival is quirky and quaint, especially to visitors from outside the state, and offers opportunities for visitors to make their own decisions about how they experience the festival and interact with the region.

#### [Rangeley Lakes Heritage Trust Birding Festival](#)

**\$5,000**

The Rangeley Lakes region is the premier birding destination for rare and sought-after species in New England. Deep in the heart of Maine's lush boreal forest, Rangeley provides a convenient hub to find northern specialties like Black-backed Woodpecker, Spruce Grouse, and Boreal Chickadee, as well as breeding warblers including Cape May, Bay-breasted, and Mourning.

## **Maine Bicentennial Tourism Grant**

### [Penobscot Maritime Heritage Association – 4 Point Loop](#)

**\$10,000**

Promoting Maine’s maritime history and heritage in the Penobscot basin communities, The Penobscot Maritime Heritage Association will celebrate and commemorate a multi-community event called the *4 Port Loop* with numerous educational, festival and recreational events July 9-14, 2020 in Bangor, Brewer, Searsport, Bucksport, Castine and surrounding communities.

### [Makers Guild of Maine](#)

**\$10,000**

The Makers Guild of Maine connects regional arts, music, food, the outdoors and cultural tourism to create community impact. For Maine’s Bicentennial, the Makers Guild is expanding its regular offerings to create a unique festival: Flaxapalooza 2020 that will celebrate the skills, people and communities that transformed flax, and similar plant fibers, into iconic items that define Maine.

### [Maine Beaches Association - 200 in 200 Challenge](#)

**\$10,000**

The Maine Beaches Association will be recognizing and celebrating the state's bicentennial by launching a year-long, itinerary driven campaign: The Maine Beaches 200 in 200 Challenge - an itinerary driven campaign consisting of a number of experiences across the region.

## **Maine Communities Grant**

### [Maine Jewish Film Festival](#)

**\$1500**

The mission of the Maine Jewish Film Festival is to enrich, educate, and entertain a diverse audience by presenting cultural programs based on the global Jewish experience.
